Following the decisions taken at the Colombo summit held in December, 1991, the Special Session of Foreign Secretaries held last April considered the question of cooperation between SAARC and other regional and international organisations and decided, *inter alia*, to recommend to the Council of Ministers that its chairman may hold informal consultations with representatives of ASEAN, EC and of Asia Development Bank with a view to exploring the possibilities of a relationship of mutually beneficial cooperation with them.

Once this recommendation is approved by the Council of Ministers in coming July, it is expected that the Chairman of the Council of Ministers will hold consultations and, thereafter submit its report, with recommendations, to the Seventh SAARC Summit scheduled to be held in Dhaka later this year.
